Douglas, I accomplished the following work during the Wednesday, 2/6/2013, telecommute day:

NR

- Prepared an extension request for Docket No. 3-2013, Encana Oil and Gas USA, Inc. - Madison Formation. I asked Janie to perform a courtesy review of the Draft Letter because she has stressed the importance of my request, discussed how it will be handled, and informed me as to whom (high level State Representatives) the document will reviewed by. I incorporated her suggested changes.
- Spoke with Janie Nelson about her feelings on Docket No. 3-2013, gave her an idea of who may review the document, and we spoke about the process for moving forward.
